

June - July 2012

Dear Friends,

Summer is here – Mike picked his first vine-ripened tomatoes!

This past month has been a busy and fruitful time. Along with our other assignments, we were able to finish the recording and editing of A *ESPERANÇA* (*THE HOPE*) video into Brazilian Portuguese. What an intense, but rewarding time. We invite you to watch *THE HOPE* (in English) on line at: <http://www.thehopeproject.com/> We trust you will find this 80-minute video to be a great tool for your evangelistic efforts.

Leaving here on June 21 we look forward to seeing our Midwest kids and grandkids before heading to Minnesota. Hoping the mosquitoes and ticks won't notice, we plan to visit Mike's family and church family around the state. The end of July we'll join the JAARS team at Oshkosh, WI, for the annual AirVenture. We then look forward to seeing more wonderful friends as we make our way back to North Carolina.

Along with all the summer activities on your agenda, there are some events that really need your intercession:

- July 12th, Bible translator Sheila Tremaine will arrive in Brazil to deliver the audio recordings of Rikbaktsa *LUKE* and *ACTS*. As Marcos and Elaine take Sheila in their small boat, Sheila will introduce these dedicated missionaries to the forty Rikbaktsa villages up the Juruena River.

- July 18 – 22 there will be a gathering of more than 4000 indigenous leaders of the *National Evangelical Council of Indigenous Pastors and Leaders (CONPLEI)*. Pray for the outpouring of the Spirit, for each of the unbelievers to be touched by comprehension of the message, for protection from the forces of darkness, and for good order. *JESUS* videos in 20 – 30 indigenous languages and A *ESPERANÇA* will be distributed there. May His Word bear much fruit as these videos then travel to villages all over Amazonia.

- July 21 – 29 is the annual EAA AirVenture in Oshkosh, WI. Please pray for our JAARS team as we interact with lots and lots of people – those who live locally and those who come from far away. May the Lord draw many to become involved in the Bible translation task. There are still 2000 people groups who do not have God's Word in their language!

What a privilege we have to be part of Kingdom work as we come before the Throne. Let us know how we can be praying for you! Your partnership means so much to us. May God bless you richly with His grace and peace.
